## **About Career Counselling Cell**

Career Counselling Cell at Sambalpur University is involved in the organizing seminars, guest lectures, talks, training programs etc. for students from experts in the field of Academic, Industry and Research. Skill Development Programs are also organized under this cell to upgrade students' profile make them more employable.

## Various programs organized by Career Counselling Cell

**Campus to Corporate** - Campus to Corporate Training Program is a one day training program mostly organized for students just before the actual placement drive, to understand the skill and behavioural expectations from the corporate houses / firms etc. and how to cope up with the expectations.

**Pre - Placement Training** - Pre Placement Training Programs are multiple days training programs which involve training by certified trainers on topics like Resume Building, Communication Skills, Mock Interviews, and Personality Development etc.

**Industry Interaction Session** - In these programs, an expert from the industry addresses students and makes the students aware about the practical challenges, scenarios faced by the industry thus make students aware about the insights of the industry.

**Lectures / Seminars Etc.** - These programs are mostly organized by the PG Departments with the help of the Career Counselling Cell and are very specific to the field of study of the students.

## **ABOUT US**

Sambalpur University, Jyoti Vihar, Burla, Odisha, a University established by The Sambalpur University Act, 1966 as a State University and is eligible to award degrees as specified by UGC under Section 22 of UGC Act, 1956. The University has been included in the list of Universities maintained by UGC under Section 2(f) and 12(B) of the UGC Act, 1956. At present it is functioning from its only campus situated at Jyotivihar, Burla, Sambalpur - 768019,

### **About Placement Cell**

Placement Cell at Sambalpur University is working towards to help and assist the students in reaching to employers by organizing various Campus Recruitment Activities every year. The cell is dedicated to assess students and enhance their employability by organizing various training session throughout the year. Placement Cell is also in touch with the local industries/ social organizations / companies looking forward to skilled human resources to engage with them may be through full time employment or through internships etc.

**Message from Vice - Chancellor**

Sambalpur University has a glorious past as regard imparting quality education to its students. Job opportunities are always available to the Students who develop themselves as per the requirement of the time. SU has responded to the time by updating its syllabu **Prof. B.B. Mishra**  
Enhancement & Marketability of students from time to time. Students Placement activities in the Universities helped the student to groom them as per new trends of job market. Placement is an important criterion to rank the higher education institutions. To improve the placement status, an active and well organized Placement Cell is need of the hour.

### **Message from Chairman - PG Council**

The institute continuously strives to align the curriculum of existing academic programmes and is always on the lookout for introducing new programmes, keeping in view the ever-increasing

**Prof. Sanjukta Das**

level of volatility, uncertainty, complexity and ambiguity of the business environment. In the last two decades the business paradigm all over the world has witnessed a radical shift. Due to increased awareness in the society about environmental degradation, climate change, and socio-economic implications of unprecedented corporate power, nation states have forced businesses to mould their business strategies to align with national and global Sustainable Development Goals.

## Message from Registrar

We at Sambalpur University train and groom the students and research scholars which could help them to develop abilities to cope with the industry standards. In order to carry out these activities

smoothly, our institute is equipped with a well-organized and actively working training and placement cell comprising faculty as well as students who run the cell very efficiently. The Training and Placement Cell organizes various grooming sessions and campus recruitment drives and makes sure that the best industries meet the best quality brains.
