A Three Day National Workshop

on

Intellectual Property Rights – its implications in Life Sciences

For research scholars and faculty

6th – 8th, July 2023

Organized by

**School of Life Sciences
Sambalpur University**

Sponsored by:

- Science & Engineering Research Board (SERB)
Department of Science & Technology, Govt. of India
- Cell for IPR Promotion and Management (CIPAM),
Ministry of Commerce & Industries, Govt. of India
- National Research Development Corporation (NRDC),
Govt. of India

About the Department

The School of Life Sciences, Sambalpur University is a premier Institute of the country which is known nationally and internationally for its interdisciplinary study and research programs. Students passing from the School with their M. Sc., M. Phil or Ph. D. degree are now placed in different leading academic and research Institutes all over the world. The School imparts teaching and research programs in all the major branches of Life Sciences like Biochemistry, Physiology, Ecology, Microbiology and Molecular Biology. Besides the regular course of M. Sc., M. Phil and Ph. D. program in Life Sciences, the School runs a regular P. G. program leading to M. Sc. Degree in Microbiology. The school is well equipped with all modern equipments for conducting advanced research in Life Sciences and this workshop will be highly helpful in igniting the minds of young researchers & faculties to build a scientific temperament for a successful career.

Objectives

1. To create awareness on the basics of Intellectual Property Rights (IPR) among research scholars and faculty members.
2. To provide hands on training on various aspects of Intellectual Property Rights (IPR) in relevance to Life Sciences.

Agenda of Workshop

Theoretical Sessions

1. Introduction to Intellectual Property Rights (IPR) – basics, concept and legislation
2. Patent, trademark and copy rights - its governing laws in Indian context - overview
3. Geographical indications (GI) tagging – Indian perspective
4. Patent filing – international law, controversies

Practical session

1. Hands on training on Patent filing procedure.
2. Hands on training on GI application procedure.
3. Hands on training on registration of copy right and trademark.

Three Day National Workshop On Intellectual Property Rights – its implications in Life Sciences For Faculty and Research Scholars 6th – 8th July 2023

REGISTRATION FORM
