25. FOUNDATION COURSES

A student shall study four foundation courses. Two of them will be compulsory courses i.e English & M.I.L.(Oriya, Bengali, Hindi, Urdu, or Telgu) . However, a candidate may offer an alternative paper in English of higher standard in lieu of M.I.L. enumerated above. Each paper will be of 50 marks. There will be no tutorial for each subject. These two compulsory subjects will be taught in part-I. The other two will be electives & will be taught in part-II. The two Elective subjects will consist of two papers, 50 marks each. No Foundation courses will be taught in Part-III. The subjects under Foundation courses are stated below. There will be no practical/tutorial classes in Foundation courses of part-II.

(a) A student may choose any two of the following subjects in part-II.

1. Social & Cultural History of India
2. Social & Cultural History of Asia.
3. History of Freedom movement in India & National Integration.
4. Growth of moral and spiritual ideas.
5. Value system
6. Business & Government
7. Business Planning
8. Environmental study
9. Growth & Development of Scientific Ideas.

26. CORE COURSES

A student shall study three core courses. Each core pass subject will carry 400 marks inclusive of practicals (250 theory + 150 practicals). In part-I and part-II each core courses paper will be of 100 marks(75 theory +25 practicals). For subjects without practicals the period allotments will be the same as for B.A.(pass) core subjects. In part-III each core course will be of 200 marks (100 theory + 100 practicals )

The subjects under core courses are stated below :-

1. Anthropology
2. Botany
3. Chemistry
4. Geology and Mineralogy
5. Geography
6. Mathematics
7. Physics
8. Psychology
9. Statistics
10. Zoology

(a) Provided that a candidate shall not be allowed to take up Mathematics or a subject in which there is a practical examination, if he did not pass in that subject in the Intermediate /Higher Secondary Examination (+2 Examination) of any other equivalent examination. A candidate may however, take Anthropology, Psychology, or Geology and Mineralogy, Geography without having passed in that subject in his Intermediate/Higher Secondary Examination.

Provided further that no candidate shall be allowed to take up Statistics if he has not passed either in Statistics or in Mathematics in Intermediate Examination/ the Higher Secondary Examination or any other equivalent examination.

(b) Physics(Pass)(Chemistry)(Pass)Mathematics(Pass)Statistics(Pass) Anthropology(Pass),Geology & Mineralogy(Pass) Geography(Pass) Psychology (Pass) can be offered with any two other Science subjects.

(c) Botany or Zoology (Pass) shall be offered alongwith Chemistry and with any one of the other Science subjects.

#### 27. APPLIED/ANCILLARY COURSES

A student shall study two courses of 100 marks each or one subject(if it occurs both in part-I & part-II) of two papers of 100 marks each. He will be examined in one paper in part-I & the other in part-II. In part-III there will be no applied/ ancillary courses. There shall be no practical/tutorial classes in Applied/Ancillary courses. There shall be no practical/tutorial classes in Applied/Ancillary courses. The subjects under Applied/Ancillary courses are stated below.

(a) A student may choose any one of the following subjects in part-I. GROUP -A

1. Electronics- I
2. Solid State Physics I
3. Environmental Science
4. Human Nutrition
5. Soil Conservation
6. Polymer Science

6. Business & Government.
7. Business Planning
8. Environmental study.
9. Growth and Development of Scientific Ideas.

29.1 CORE COURSES

A student for Honours degree shall choose one of three core courses as his Hons. Subject. For the Hons. subject with practical, theory paper will be 500 marks and practical papers will be 300 marks. In part-I & Part-II each pass core course will be of 100 marks (75 theory + 25 practical) Part-I & Part-II Hons. core course will have two theory papers (75 marks each) in each part & one practical paper (50 marks each) in each part. However in Chemistry Hons. Core courses there shall be three theory papers of 50 marks each both in Part-I & Part II. The subjects under core courses are stated below.

- (1) Anthropology (2) Botany (3) Chemistry (4) Geology & Mineralogy
- (5) Geography (6) Mathematics (7) Physics (8) Psychology
- (9) Statistics (10) Zoology.

29.2 In part-III each course with practicals will have one theory paper of 100 marks & two practical papers of 50 marks each. The Honours courses will have two theory papers 100 marks each & two practical papers of 100 marks each. However, in Chemistry Honours core courses there shall be four theory papers of 50 marks each in part-III.

(a) Provided that a candidate shall not be allowed to take up Mathematics or a subject in which there is a practical examination, if he did not pass in that subject in the Intermediate Examination/Higher Secondary Exam. (+ 2 Exam.) or any other equivalent Examination. A candidate may, however, take Anthropology, Psychology, Geology and Mineralogy or Geography without having passed in that subject in his Intermediate/Higher Secondary Exam.

Provided further that no candidate shall be allowed to take up Statistics if he has not passed either in Statistics or in Mathematics in Intermediate Examination/Higher Secondary Exam. or any other equivalent examination.

(b) Physics Hons. shall be offered along with Mathematics and any one other Science subjects.

(c) Chemistry (Hons) shall be offered along with Physics & Mathematics.

(d) Geology and Mineralogy (Hons) can be offered along with Physics & Chemistry, Physics & Mathematics, Botany and Zoology.

(e) Botany (Hons) shall be offered with Chemistry & with any one of the other Science subjects.

(f) Zoology (Hons) shall be offered with Chemistry & with any one of the other Science subjects.

(g) Mathematics (Hons) can be offered along with any two other Science subjects.

(h) Statistics (Hons) can be offered along with any two other Science subjects.

(i) Anthropology (Hons) can be offered along with any other two Science subjects.

(j) Geography (Hons) can be offered along with any two other Science subjects.

(k) Psychology (Hons) can be offered along with any two sciences subjects.

29.3 For subjects without practicals the period allotment will be the same as for B.A. (Hons) core subjects.

### 30. APPLIED/ANCILLARY COURSE

A student shall choose two courses 100 marks each or one subject (if it occurs both in Part-I & part-II) of two papers carrying 100 marks each. He will take one course or paper in the part-I & the other in part-II. There shall be no practical/tutorial classes in Applied/Ancillary courses. In part-III there will be no applied/ancillary courses. The subject under Applied/Ancillary courses are stated below.

Special provision for passed candidates.

40.(a) A candidate who has passed the three-year degree course under these Regulations may on payment of the prescribed fees, be permitted to appear at the same examinations i.e. part-I, part-II & part-III at a time subsequently in any Core subject of the pass course in which he has not already passed without attending a regular course in a college, provided he secures 30% in each paper of each part. and 36% in the aggregate. If he takes up a subject in which a practical course is prescribed, he must produce a certificate from the Principal of a college under this University showing that he has completed the practical courses in a Laboratory. He must secure 30% in each theory paper and 40% in each practical paper in each part, and 36% in the aggregate in order to pass in that subject.

(b) The candidate who passes the examination under clause 40(a)

Supra shall be awarded a certificate to that effect under the signature and seal of the Registrar. No class or division shall be awarded to such a candidate.

Non-Collegiate candidates.

41(a) Subject to the special Regulations prescribed for the non-collegiate candidates, these Regulations shall apply Mutatis Mutandis for the non-collegiate candidates also who want to appear at the three year degree course as private candidates in both pass and Hons. course. Such a non-collegiate private candidate should submit the Preliminary application alongwith the prescribed fees towards exemption from production of attendance certificate not later than one hundred and twenty days prior to the date of commencement of part-I Examination, or on such date as may be notified by the University.

(b) Once a non-collegiate candidate registers for the part-I examination, he need not submit preliminary application for part-II and part-III Examination but shall have to apply for admission to the part-II and part-III Examinations in the prescribed form and pay the prescribed fees for each examination within the date stipulated.

(c) No non-collegiate candidate shall be permitted to offer a subject in which there is practical unless he has completed all the practical courses of part-I, Part-II and part-III in a College affiliated to this University and submits such a certificate of completion from the Principal of the College concerned.

Award of Diploma.

42. Each successful candidate at the Examination shall receive with his degree, a Diploma in the prescribed form signed by the Vice-Chancellor.

Transitory provision.

43. In case there arises any anomaly or any difficulty in interpretation in respect of these Regulations, it shall be referred to the Syndicate for an interim decision to be notified by the Academic Council in its next meeting.

Dated the 30.7.1986

15498/Acd-I

To

The Principals of all colleges  
under Sambalpur University.

Subject: Regulations for the Three Year Degree course - promotion of  
students to the higher class-Regulations 3.6. and 3.8.

Sir/Madam,

Paragraph 3.6 read with paragraph 3.8 of the Regulations for the Three Year Degree course provides that only such candidates as appear in the Part-I Examination, of the Three Year Degree Course and either pass it or fail in not more than two papers may take admission into the Part-II Course. Since there will be difficulty in implementing this provision in the current year the following transitory Regulation has been made by the Academic Council in its meeting held on 24.3.1986

Provided that notwithstanding any things contained in these Regulations candidates who appear at the Part-I exam. 1986 may be admitted to the Part-II Class during the session 1986-1987 only within fifteen days after the completion of the theory papers of the Part-I examination, 1986.

Accordingly students who have appeared at the Part-I Examination, 1986 may be asked to take admission in the Part-II Class within fifteen days of the completion of the theory papers of the Part-I Examination. Candidates who have applied for admission into the examination but have failed to appear therein are to be treated as having appeared in the examination for this purpose.

You are requested to give wide publicity to this transitory provision for the information of all concerned and to avoid any unnecessary hardship to the students.

Yours faithfully,

Sd/-

Registrar.
