- 30) *Prof. Pradeep Kumar Naik, HOD, BT & BIT, Sambalpur University.*

At the outset, Registrar welcomed Prof. Deepak Kumar Behera, Vice-Chancellor to the Academic Council. He also welcomed all the members to the Academic Council and requested the Vice-Chancellor to chair the meeting.

Before going to its regular business, the Vice-Chancellor appreciated all the former members of the Academic Council for their valuable contribution to the Academic Council. The house condoled the sad demise of one of the members of the Academic Council **Late Himansu Sarangi** who have passed away very recently.

The Vice-Chancellor strongly feels that in a meeting like Academic Council, the members of the house should think of academic growth and development of the University. He reminded the members of the Council about the next cycle of NAAC accreditation of the University during the year 2021. ***There is only two years' time left for preparation of NAAC presentation. In the NIRF ranking, our University is placed in the range of 151–200.*** Last year also we were placed in the same slab. There was a meeting of Secretary, Higher Education, where Hon'ble Chancellor called upon all the Vice-Chancellors of Odisha. ***In the said meeting Hon'ble Chancellor sought for future roadmaps from each of the Vice-Chancellors.*** The Vice-Chancellor is of the opinion that the members of the Academic Council should discuss these things and give their valuable contributions and suggestions in preparation of the future roadmap of the University.

The Vice-Chancellor apprised that there are Thirty-Three ongoing **research projects sponsored by UGC, DST, DBT, ICMR, ICSSR, DST** etc. Five number of MoU have been signed between Sambalpur University and different organizations. Twenty faculty members have submitted their research proposals. Good news is that in the history of Sambalpur University we have received **Two World Bank funded Projects** with a total funding amount of Rs.5.0 crores. Those are:

- 1) Centre for Excellence (COE) for **Naturel Therapeutic Medicine** where Two Departments like (i) Dept.of Bioinformatics & Biotechnology and (ii) Dept.of Chemistry are collaborated. The funding amount is Rs.4.0 crores.
- 2) Centre for Excellence (COE) for **Regional Development and Tribal Studies** where Seven Departments are collaborating. The funding amount is Rs.1.0 crore.

The Vice-Chancellor also informed the House about proposals for **Two more COEs which are in the pipeline**. They are, namely,

- 1) Centre of Women Studies (Submitted to the UGC) and
- 2) Centre of Entrepreneurship Development (To be submitted to MHRD)

The Vice-Chancellor apprised the house that about 95% of affiliation fees have been collected. There are 220 affiliated colleges under the University and within a span of One year and Three months of his tenure, he alongwith the Registrar, in some occasions, have visited about more than 50 colleges and suggested them to obtain NAAC accreditation and apply for 12 & 12B / 2f status of their colleges. **Four colleges have already got NAAC accreditation**. They are:

- 1) Govt.College, Rourkela
- 2) Attabira College, Attabira
- 3) L.N.College, Jharsuguda
- 4) Women's College, Rajgangpur

Before entering into the regular agenda of the Academic Council, the Vice-Chancellor **invited the Chairman, PG Council, Directors of UGC-HRDC, SUIIT, DDCE, Coordinator of Private Cell to speak briefly about the activities being carried out by their wings that are instrumental in further growth and development of the University.**

**a) The Chairman, PG Council:** The Chairman apprised the house about the academic activities being carried out by the PG Council. Apart from the admission process of regular and self-financing PG, MPhil and PhD programmes, the Council prepares the academic calendar for the above programmes and caretakes to their strict adherence. The Council office also receives the research proposals submitted by the faculty members and forwards them to the authority for onward transmission to the funding agencies. Meetings of the PG Council are held on regular interval to address various problems of the departments, distribute funds among the departments, conduct various seminars and workshops and monitor academic activities of the University.

**b) The Director, UGC-HRDC:** The Director, University Grants Commission–Human Resource Development Centre (UGC-HRDC) informed the house that 75% of the orientation programmes allotted this session have been conducted (i.e. Three out of Four). There has been a two-day principals' meet and another programme of two-day teachers' meet, both the programmes together trained 166 teachers in HRDC. In addition, the Centre has conducted classes on Research Methodology for MPhil and PhD scholars. Besides, one programme has also been inducted under OHEPEE funded by World Bank. Above all, the UGC-HRD Centre, Sambalpur University has been recognised as a National Teachers' Training Centre which is one among the Thirty National Resource Centres of the country. The centre also organised an academic meeting for the NAAC team comprising dignitaries of reputed academic institutions from inside as well as outside Odisha.

The HRDC have been trying to be more vibrant each year for the academic concern of the University and the region as a whole. The Centre has received Twenty-Four programmes this year and the Director has taken prompt initiative to upload the notice in the University website within six hours.

At the end, the Director requested all the HODs present and the Principals of Colleges through the august house to encourage the faculty members in their Departments/Colleges by relieving them to attend Orientation Programme(s) and Refresher Course(s) as the criteria for minimum number of participants to run a

programme/course is Thirty. However, communication has been made to bring the minimum size to Twenty.

**c) The Director, College Development Council:** The Director while deliberating his speech, laid stress mainly on two issues which are attached to the growth and development of the Colleges. One being accreditation of NAAC and the other one is the status of affiliation. ***The Director reiterated that the colleges are being repeatedly requested to obtain NAAC accreditation to be eligible for receiving grants through RUSA/OHEPEE/World Bank etc.*** He informed the house that the status of affiliation of almost all Colleges upto 2018-19 is cleared. He also disclosed the planning of the Council to hold an Affiliation Mela after the ensuing summer vacation preferably in the month of June 2019.

**d) The Director, Directorate of Distance and Continuing Education:** The Director informed the house that there is no degree courses that are newly started. However, there are some programmes under DDCE running and they will be completed in course of time. The Director expressed concern over paucity of dedicated staff in the directorate. The Vice-Chancellor said that once upon a time the DDCE was a very good wing for mobilising resource for the University. But now, due to closure of the courses, the earning source is stopped. He wanted to know if there is any scope for revival of the DDCE to run them properly and make resource for the University. ***He told that any Department can start a course through DDCE and earn funds for the Department and also for the University.***

**e) The Director, Sambalpur University Institute of Information Technology:** The Director said that the SUIIT is constituted in the year 2010 as an autonomous institution of Sambalpur University primarily to run education on Information Technology. Presently, as good as Eleven programmes are being run in the SUIIT. They are being B.Tech, M.Tech., M.Sc. & M.C.A. The students are inducted through OJEE for BTech. SUIIT is also recognised as an OJEE counselling centre by the Govt. of Odisha. SUIIT has collaboration with other institutions. There are Four clubs and regular teachers are

being mentored by these clubs. Every year 10 to 20 students are reading without any course fee. They only pay a meagre admission fee. He expressed his satisfaction over the growth and development of the Institute with around 500 students and requested the University to take care of it. The Vice-Chancellor requested the Director SUIIT to bring out a Brochure of SUIIT and circulate among the faculty members and also in VSSUT and other technical institutes to make aware of the programmes of SUIIT.

**f) The Coordinator, Private Examination Cell:** The Coordinator informed the House that the PEC was instituted in the year 1999-2000 to provide scope to the non-regular students. The Cell runs undergraduate as well as post graduate courses with traditional mode of yearly examination system.

The Vice-Chancellor said that the PEC has a lot of potential. He expressed his concern over the scanty advertisement policy of the programmes that fails to reach to the potential candidates. He is of the opinion that the PEC should go for state level advertisement in all Odisha issues of the leading newspapers and properly publicise our courses being offered. **He apprised the House of the proposal to open a study centre of IGNOU and run their programmes in Sambalpur University. Prof.S.S.Rath welcomed the proposal.**

**g) The Principal, LR Law College, Sambalpur:**The Principal said that it is a constituent college of the University situated in Sambalpur. Apart from running its LLB and other earlier courses, recently the college has started LLM programme and also introduced course on Cyber-crime.

**h) The Director Veer Surendra Sai Institute of Medical Science and Research, Burla:** The Director said that the VIMSAR is the curriculum-based institute approved by the MCI (Medical Council of India). He apprised that teachers' training programme in VIMSAR has been started and it is first of its kind in Odisha. It has a registered and recognised Ethical Committee. **Any science faculty of this University may consult the Director, VIMSAR for registering Ethical Committee.** There are various courses being run in VIMSAR and examinations are also being conducted there recently. But old examinations are conducted through the Controller of Examinations, Sambalpur

University. He thanked Sambalpur University for the cooperation and expected similar cooperation in future too.

***The Vice-Chancellor said that the courses being run by DDCE and PEC should be run in CBCS system rather than in traditional mode of yearly examination system. Otherwise the degrees provided by the DDCE and PEC may not be recognised.*** He suggested VIMSAR to follow examination systems as per MCI guidelines. ***From this year i.e. from 2019-20 VIMSAR should start conducting their own examinations.***

***The Vice-Chancellor laid stress on formation of different committees recognised by UGC and the committees should meet regularly and the proceedings should come out in time. The Director, Internal Quality Assessment Cell (IQAC).***

Thereafter, the regular business of the Academic Council proceeded as per the Agenda.

**(A) Ratification of the actions of the Vice Chancellor taken in exercise of his powers under Sub-Section 15 of Section 6 of the Act.**
