# **NATIONAL SERVICE SCHEME BUREAU SAMBALPUR UNIVERSITY**

## **HISTORICAL BACKGROUND OF NATIONAL SERVICE SCHEME:**

Introduction of National Service in the education institutions with a view to developing healthy contracts between the students and teachers, and the campus and the community was recommended by Dr. Radhakrishnan, which was endorsed by the Central Advisory Board of Education at its meeting held in January, 1950 and further recommended that the student should devote some time for manual work on a voluntary basis under the supervision of a teacher.

Government of India, 1952 stressed the need for social and labour service by collegiate at least for a year. In 1958 Prime Minister Jawaharlal Nehru endorsed to the Chief Minister the idea of having social service as pre-requisite for graduate.

The National Service Committee under the Chairmanship of Dr. C.P. Deshmukh on 28th August 1959 recommended that the National Service for a period of 9 month to one year might be made compulsory for all students intending to enroll themselves in a college/university.

In 1960 after undertaking an extensive studies in a few western countries Prof. K.C. Saiyidain recommended that National/Social Service by student may be introduced in colleges/universities on voluntary basis.

The Education Commission headed by Dr. D.S. Kothari (1964-66) recommended that student at all stages of education should be associated with some form of social service. The Education Minister of various state in their conference held in April 1967 recommended to include university students to join in NSS. The recommendation was endorsed in a Vice-Chancellor Conference during September 1967. Finally, in May 1969 the Ministry of Education and UGC declared that National Service could be a powerful instrument for National Integration.

The details were worked out immediately and the planning commission provided an outlay of Rs. 5 crores for NSS during Fourth Five Year Plan. Dr. V.K.R.V. Rao launched NSS in 37 universities with strength of 40,000 volunteers on 24th September 1969 on the eve of Gandhi Centenary year with the following objectives and motto:

- understand the community in which they work;
- understand themselves in relation to their community;
- identify the needs and problems of the community and involve them in problem solving process;
- develop among themselves a sense of social and civic responsibility;
- utilize their knowledge in finding practical solution to individual and community problems;
- develop competence required for group living and sharing of responsibilities;
- gain skills in mobilizing community participation;
- acquire leadership qualities and democratic attitude;
- develop capacity to meet emergencies and natural disasters and
- practice national integration and social harmony

The motto or watchword of the National Service Scheme is 'NOT ME BUT YOU'. This reflects the essence of democratic living and upholds the need for selfless service and appreciation of the other person's point of view and also to show consideration for fellow human beings. It

underlines that the welfare of an individual is ultimately dependent on the welfare of society on the whole. Therefore, it should be the aim of the NSS to demonstrate this motto in its day-to-day programme.
