Sub: Clarification on Generic Elective Computer Science syllabus.

Ref: This Office letter No.8417/Acd.-I dated 04.11.16.

Sir,

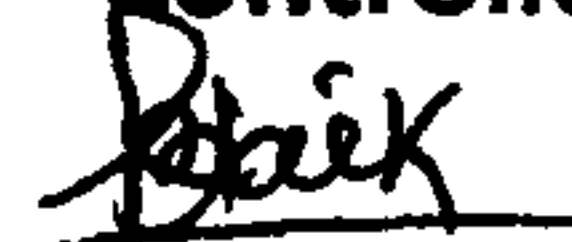

In inviting a reference to the subject and letter cited above, I am directed to intimate you that there are queries on Generic Elective Computer Science Syllabus. On verification it is found that 9 numbers of papers has been prescribed as Generic Elective in Computer Science. The students have to opt any four out of them. The said syllabus don't mention which paper will be offered during which Semester. So it creates confusion.

To make it clear it has been decided to select **1. Computer Fundamentals**
2.Introduction to Database Systems **3. Introduction to Programming** and **4. Computer Network and Internet Technology** to offered as Generic Elective in Computer Science during **1st, 2nd, 3rd and 4th, Semester of Hons. courses respectively.** There will have no change in detail syllabus.

This may kindly be notified to the teachers and students concerned of your college/ Department/Institution and you are requested to ensure teaching of lthe courses accordingly.

Thanking you,

Yours faithfully,

Controller of Examinations.
