About the Department

The Department of Mathematics, Sambalpur University was established in 1969. The Department was under UGC COSIST program during 1990-95 and is presently funded under DST FIST. It is academically autonomous and is under semester course credit system since 1996. The Department has many reputed alumni working as faculty members in IISER, NISER, IMSc, IITs, ISI, NITs and many Central and State Universities across the country and abroad. The Dept. has a NBHM funded Seminar Library with more than 7000. Many of our students have qualified in national level tests like NET, GATE, NBHM, ISI etc.

HOW TO REACH

The Sambalpur University campus, Jyoti Vihar, Burla is situated 15 Km from Sambalpur city. Sambalpur city is well connected with direct train links with New Delhi, Kolkata, Chennai, Bhubaneswar and Raipur. The nearest airports are Jharsuguda (60 Km), Raipur (270 Km) and Bhubaneswar (320 Km). Besides, the nearest railway station is Hirakud, which is about 3 Km from the Sambalpur University campus.

Theme of the seminar

Graph Theory is a significant and indispensable tool in different areas of Applied Sciences, Engineering and Technology. Some descent depth on tools and techniques of graph theory render great help in comprehending problems and topics involving discrete structure such as Data Structure, Algorithm Design, Automata Theory etc. The objective and theme of this programme is to organize lectures by eminent scholars on upcoming recent research directions involving Graph Theory which may inspire and enlighten scholars and researchers to take interest in Graph Theory and its applications.
