

PRINCIPLES TO BE FOLLOWED FOR ALLOTMENT ROOM IN HOSTEL FOR THE 1ST SELECTION

1. First, department wise hostel accommodation quota to be determined. It is to be made by way of proportional division of seats amongst the departments as per their intake capacity. It is to be done in the below given formula.

$$\left\{ \frac{\text{Total Vacancy of hostel seats}}{\text{Total Sanctioned strength of department}} \times 100 \right\} \times \text{sanctioned department strength \%}$$

2. Second, department wise quota of seats for SC / ST / UR to be determined. As per the CPET prospectus for the current session, reservation of seats for SC and ST for each department is to be identified. Following formula to be followed for that:

For SC : Allotted hostel seat to the department \times 16.25%

For ST: Allotted hostel seat to the department \times 22.50%

For UR: Allotted hostel seat to the department – (allotted seat to SC + allotted Seat to ST)

3. Thirdly, quota for the boys' and girls' to be determined by following the given formula:

For boys: Total Boys' applied for the hostel/total sanctioned strength of the Department \times 100

For Girls: Total Girls' applied for the hostel/total sanctioned strength of the Department \times 100

4. Fourthly, share of the boys and girls of respective department to be determined against allotted quota of seats allotted to the department. Following formula is to be followed:

For Boys: Allotted seats to the Department \times quota for the boys

For Girls: Allotted seats to the Department \times quota for the girls

5. Fifthly, quota for the boys' (SC / ST / UR) and Girls' (SC / ST / UR) in the respective department will be determined. It is to be done by following below given formula:

For BOYS(UR) : Quota for the boys \times 0.6125

For BOYS(SC) : Quota for the boys \times 0.1625

For BOYS(ST): Quota for the boys \times 0.225

For GIRLS(UR): Quota for the girls \times 0.6125

For GIRLS (SC): Quota for the girls \times 0.1625

For GIRLS (ST): Quota for the girls \times 0.225

6. Finally, by following the above principles first list of hostel accommodation be prepared. While preparing the first selection list for hostel, Persons with Disability will be given preferences. Applications for those students who are residing within 40km radius of Sambalpur University are not be considered for the 1st Selection List for Hostel accommodation.
