Title of the research topic	<b>“HOUSING POLICY IN WELFARE ADMINISTRATION: A STUDY OF PMAY-G IN BARGARH DISTRICT OF ODISHA”</b>
Abstract of the research work	<p>Housing is one of the primary basic needs of the people in any society. Public need a proper house in order to have a dignified existence. It is, in a way, associated with the human right dimension and house govt increasingly focus on the housing programme. The PMAY-G, is one such programme aiming to bring in “holistic” development of the society by providing free housing to the people.</p> <p>Housing programme in rural area is a human resource development programme of the country and has been recognized as a crucial factor in the national progress and development. In recent years there have been growing awareness in the country of the need to improve the living standard of the human being in development programmes in a systematic way. Rural area each comparatively more in the total area of districts. India, in its present changing and developing stage, has to give its due development share to rural/gramin if it has to reach the status of developed nation.</p> <p>Welfare policy for the family and household in turn an bring the welfare of the country. Welfare policy each a significant part of all types of development, it increases the living standard of rural area, and gives benefits to the listed people from the governmental programme. Such policy and programmes of the government indicate the successful development of rural area.</p> <p>The research study highlights the impact of the governmental welfare programmes being implemented for the upliftment of housing status, especially in rural area. It also tries for an incisive analysis to understand the status and the living standard of the poor and downtrodden rural people and the way they are coming forward to avail benefits of these Programmes and schemes. The study includes the status, depicts, the implementation and benefits of the Pradhan Mantri Awas Yojana in Gramin. This research work brings out and the impact of the welfare policy PMAY-G with expectations and the suggestion for more effective implementation of the Programme.</p>
Progress of the research work	Now I am started to write introduction chapter and collecting data related my topic.
