2. e-ADMISSION PROCEDURE

Candidates desirous of seeking admission to the courses mentioned above are required to submit their applications online by adopting the following procedure:

(i) Online filling up of application form shall begin w.e.f. 13.05.2026 (8:00 AM onwards) The last date of submission of application online is 16.06.2026 (till 5:00 PM)

(ii) Candidates, in order to submit the application for admission, are required to login to the following link:

http://www.suniv.ac.in and click ADMISSION → "online admission" → SUET-2026

(iii) The candidates may download the admission Prospectus-2026-27 and read it carefully before filling the form online.

(iv) The candidate will have **to pay Rs.750** (Rupees Seven Hundred Fifty) only towards application fee through State Bank Collect through ***Debit Card, Net Banking facility of any Bank besides visiting any SBI branch to deposit by cash or cheque drawn on any SBI Branch***. The procedure for depositing the application fee through State Bank Collect is as follows:

- ☞ Visit online banking website of SBI by typing **onlinesbi.sbi/sbicollect/** or **State Bank Collect** in the address bar of the browser viz. internet explorer. Once the home page appears click on '**Educational Institution**' tab in the **Select Category**.
- ☞ Select the State as '**Odisha**'.

- ☞ Now select Educational Institution Name as **'SAMBALPUR UNIVERISTY P.G. COUNCIL**'.
- ☞ Select the payment category from the drop down as **"P.G. Admission (SUET)"**.
- ☞ Before filling the challan, read the Payment Details/Structure Document carefully and ascertain the fees amount applicable to you.
- ☞ Fill in the challan with required information as asked for or select from the drop down options wherever available. ***Take adequate care while filling in (a) Name (b) Date of Birth & (c) Mobile Number as asked for in the lower part of the screen***. This information is important to reprint the e-Receipt subsequent to any successful payment.
- ☞ Once required data is filled in click on '**Submit**'.
- ☞ The system will ask you to verify the details entered and confirm the transaction in the next page. Verify the details and click on '**Confirm**'.
- ☞ The system will request you to select the desired payment mode from various options. Please note that the bank charges for various payment modes are also displayed which is to be borne by the remitter. ***Carefully examine the charges displayed since the charges for different payment mode are different***. Select the desired payment mode.
- ☞ Now the system will guide the remitter through the payment process. Once the payment is completed successfully one e-Receipt will be generated containing a **Reference Number** in PDF format. Take a print out of the e-Receipt. You may also save this optionally for future reference. The e-Receipt can also be regenerated/reprinted afterwards from '**Transaction History**' link of '**State Bank Collect**'.

  If '**SBI Branch' is selected as payment mode,** a Pre Acknowledgement Payment (**PAP**) form will be generated which contains the relevant details for payment at Branch. The payer takes the print out of the PAP Form and visits **any SBI Branch** for payment through ***cash or cheque drawn on SBI Branch***. After the payment is successfully processed by the branch, the branch will give an acknowledgment of payment on the PAP Form. Now any time the payer may optionally return to 'State Bank Collect' link and generate e-receipt from Transaction History.

(v) The candidate should then register himself/ herself (through appropriate link) by providing the following information:

(a) Name of the course
(b) Name of the candidate

C. M.Tech. in Environmental Science and Engineering,

(Self-financing)

P.G.DEPARTMENT OF ENVIRONMENTAL SCIENCES (AUTONOMOUS)

SPECIAL FEATURES OF THE COURSE AND HOST DEPARTMENT:

The M.Tech. programme in Environmental Science and Engineering is first of its kind in the state and one of the few in the country and has successfully entered into the fifteenth year of its existence. It is a four semester UGC approved degree and Sambalpur University approved course. It has course work and research project component. It is a regular course and keeping in view of its usefulness to serving employees the teaching is imparted on all days (except Sunday) during afternoon / evening hours and from 10 to 4 pm on Sunday. The course structure includes advanced modules in Environmental Science and Engineering and has been designed at par with the other premier institutes of the country and keeping the employment opportunity of the students in view. The students of M.Tech. Programme after successful completion have got employment in Vedanta Aluminium, NALCO, SPCBs, HINDALCO, OPGC, NTPC, CPCB, OMC etc.

ABOUT THE HOST DEPARTMENT

The Department of Environmental Sciences in Sambalpur University was approved by the University Grants Commission during seventh plan period and was established in 1989 as the only Post Graduate Department of its kind in the state of Odisha and one of the few in the country. The Department started M.Phil. programme from the academic session 1990-1991 and M.Sc. programme from the session 1994-95. The Department is now highly acclaimed for a programme on M.Tech. in Environmental Science and Engineering from the session 2007-08.

Based on its academic excellence, the Department is granted academic autonomy from the session 2006-2007. The Department offers courses at M.Sc., and M.Tech. levels on various aspects of Environmental Sciences like System Ecology, Population and Community Ecology, Environmental Pollution, Resource Conservation and Management, Instrumental Techniques, Computer application and data analysis, Forest Ecology, Environmental Law and Society, Environmental Toxicology, Soil Biology and Biotechnology, Ecological Monitoring, Soil Pollution and Waste Management, Applications of Remote Sensing and GIS in Environmental Science, Energy Resources, Environmental aspects of Mining Industry, Hydrology &Watershed Management, Waste Water Engineering, ElA& EMP, Research Methodology, Environmental Field Survey etc. Besides these, Seminar and Summer Training, Term Paper & Dissertation work are also part of the course curricula. The course curricula of the Department have been updated from time to time to imbibe advanced knowledge in different areas of Environmental Science & Technology. The students also pursue research in different facets of Environmental Science as well as Environmental Science & Engineering for the award of Ph.D. and D.Sc.

The department received a prestigious DST FIST grant of Rs. 20 lakhs from the Department of Science and Technology, Government of India to update the infrastructure facility of the Department. The Department has received financial support to the tune of Rs.3 Crores in the form of research projects from UGC, New Delhi, UNEP/GEF, INDAL, Hirakud, OPGC, Bhubaneswar, OSPCB, Bhubaneswar, NTPC, Farraka, NTPC, Kaniha, MCL, Sambalpur, ICMR, New Delhi, JSW-BPSL, DST etc. The teachers of the Department are also associated with industries and other agencies in consultancy work on taxo-ecological enumeration of flora and fauna, air and water monitoring, management of organic waste through vermicomposting, fly ash utilization in agriculture, low cost wastewater technology, assessment of quality of life of people

around Development Projects, ecological enumeration of vegetation and their potential in carbon removal etc. The thrust and focus of the future research plan of the Department is Environmental Technology, Low-Cost Wastewater Treatment, Solid Waste Management, EIA and EMP Studies.

The department has experts in the field of Biology, Chemistry, Environmental pollution and Management, Ecotoxicology, Soil Biology and Biotechnology, as well as Geology and Geochemistry. The teachers of the Department are also well recognized in their fields at National and International levels and acted as reviewers, editors, resources persons and expert members in SPCB and National Green Tribunal. Many alumni of the Department are well placed in different teaching, research and environment monitoring positions in various Government, Semi-Government Institutions, Universities, SPCB, CPCB, OMC, OPGC, NTPC, CPGC, NHPC, MCL, JSW-BPSL, PPL and National and Multinational organizations in India and abroad. Many students have also opted a career in administrative positions, teaching in schools and colleges, and in NGOs in Odisha and outside.

Since its inception, the Department has organised One International Seminar, Four National Seminars, Four Workshops and Ten U.G.C. sponsored Refresher Courses. The Department has already organized some national level Seminars on Emerging Perspectives on Disaster management in collaboration with the Department of Anthropology, Environment and Sustainable Development and Sustainable Development of Earth Resources: Strategies on Management plan in collaboration with the Department of Earth Sciences, and Development and Discontents in collaboration with the Department of Sociology.
